CHRISTIAN ELEMENTARY SCHOOL EAST

May 24, 2010

"...That they may be encouraged in heart and united in love, so that they may have the full riches of complete understanding, in order that they may know the mystery of God, namely, Christ, in whom are hidden all the treasures of wisdom and knowledge." Colossians 2:3

Dear Parents,

The 2009-2010 school year has come to an end, and once again we can look back with grateful hearts for all that God has accomplished in our children throughout the year. Most notably, our students have matured in their walk with the Lord, gaining further understanding of Him through the study of His Word and nurturing a closer relationship with Him. In addition, they have strengthened their academic learning and continue to grow through reading, writing, critical thinking, and pursuing answers to challenges set before them.

Thank you, parents, for your constant support of your children and our school. May you enjoy a blessed summer with your family.

Sincere in Christ,
Kary Sterkowitz
