Minimum liability required to be carried by CUSSD field trip drivers is \$100,000/\$300,000 for bodily injury and \$50,000 for property damage/uninsured motorist.

Amount of coverage on this vehicle:

Liability per person/per collision _____ / _____

Property damage _____

I understand the school's insurance does not cover my vehicle or myself, but only the students on a required field trip and students participating in official school sponsored activities, such as athletics, etc. I also understand that children of parent drivers are not covered by the school's insurance.

By law the number of children in the vehicle should total no more than eight passengers including the driver; however, each child must have a seat, which means that some vehicles would carry less than eight passengers. Seatbelts must be used.

Additionally, students under age six or under 60 pounds in weight must use a car seat.
