Christian Unified Schools is committed to a threefold partnership approach to education. We believe that the family, church, and school must be unified. We desire to provide young people with a sound education from a Biblical worldview, preparing them for life and equipping them to become the Christian leaders of tomorrow. With this in mind, please share the following:

1. Describe your Spiritual Journey:

2. How do you foster a Christian atmosphere in your home?:

3. What is your family's involvement in a local church?:

4. Why do you want your student to attend Christian Unified Schools of San Diego?

5. Describe your family's involvement with your students education and career planning:
