South Bay: [Leticia Ventura](#), 422-5850

Jr. High & High School: [Dana Berroth](#), 201-8809

Regarding the resolution of disagreements it is our practice to abide by the principle taught in Matthew 18:15, which is to go to the individual first before you share your concern with anyone else. Therefore if a matter of concern involves a fellow parent, go to that parent first; if it concerns a faculty member, go to the teacher first and in this manner attempt to resolve the concern. If it cannot be resolved, the next step is to go to the principal.
