

# GET ORGANIZED WITH COLOR *coding*

**Assign each subject a particular color.  
For example, assign the color green to math.**

- Use a **green math binder** or a **green divider** in an 8 subject binder
- use a **green math composition book** or spiral notebook
- Cover your math book with a **green book cover**
- Write down math homework in your planner with a **green pen**
- Highlight math tests in your planner in a **green highlighter**
